

Single Visit Group Guide

Planning Your Trip

- A minimum of 20 group members is required to qualify for group rates.
- Contact us to make your reservation well in advance of anticipated arrival.
- Complete and submit all forms and make payment two weeks in advance of reservation date.
- Group rates apply to ages 5 & older. Younger group members are welcome – they will be charged our regular Child rates.

Registration

- Complete a **DAY** or **NIGHT Group Visit Registration Form**.
- Collect a **Ski Sundown Rental Form** from each group member who will be renting equipment.
- Collect a **Liability Waiver** from each group member.
- Collect payment from each group member. A single final payment in the form of cash, check or credit card (VISA, MasterCard, American Express or Discover) is required for the entire group.
- Submit all forms two weeks in advance of visit.

All forms can be downloaded from our website: [skisundown.com/contact-us/forms/](https://www.skisundown.com/contact-us/forms/). The forms must be completely filled out and signed (signature of parent or guardian is required for participants under age 18).

When You Get Here

- When your group arrives at Ski Sundown, only the group leader should check in at the Welcome Center Desk (located inside the lodge) and pick up passes to distribute to the group. It is easier if the group members remain together at an agreed-upon location until check-in is completed.
- If a group member is taking a lesson, we recommend that you arrive at least an hour before the lesson begins.
- Group members who are renting then go to the Rental Shop to pick up their equipment.
- Group members who are taking lessons meet at the Meeting Place sign in front of the Rental Shop at least 10 minutes before the lesson time.
- Have fun!
